Volunteers will plant 500 trees during 'work-day'

WANTED: Manpower and shovels.. Saturday, April 23.

Campbell's infamous 'eye-sore,' the Los Gatos Creek area, is bound to be vastly improved come late next Saturday afternoon, April 23. It is going to be attacked in force.

That is, if the residents respond to the first organized community workday ever staged in the city.

One of the main features of the day will be the planting of 500 trees along the creek bank from Campbell Park to the city's corporation yard.

The work-day this Saturday is part of the month-long Campbell Clean-up Crusade, spearheaded by the city administration and which will conclude with the free trash pickup service on Tuesday, April 26 by Los Gatos Scavenger Co. to all residents within the city limits.

TRASH PICKUP

Trash to be picked up must be placed in containters or bundles on the curb by 7 a.m. next Tuesday. Containers or bundles must be light enough for one man to handle. No furniture or appliances will be picked up.

The crusade is a two-pronged affair... the city's front yard (the creek) will be cleaned up on Saturday and the residents' own yards get the treatment on Tuesday, April 26.

Saturday's work-day

TWO BIG DATES!!

SATURDAY, APRIL 23 --9 a.m.

All residents interested in cleaning up the creek (and who isn't?) assemble at Campbell Park on Gilman Ave. for first community-wide work-day. Plans call for planting 500 trees (BRING A SHOVEL)

TUESDAY, APRIL 26 --7 a.m.

Residents within the city limits of Campbell will have a FREE trash pickup service offered by Los Gatos Scavenger Co. Place trash in containers (that one man can handle) on curb by 7 a.m. on Tuesday, April 26.

TURN 'EM AHEAD

This Sunday, April 24, daylight savings begins. Just remember, set those clocks ahead.

SWEARING IN--City Clerk Dorothy Trevethan administered the oath of office on Tuesday to Ralph Doetsch (left) and Homer Hyde, who were reelected to the City Council last Tuesday. This marks the seventh time that City Clerk Trevethan, who was also reelected to her fourth term last Tuesday, has performed such a chore. City Attorney Joe Bonacina swore in Mrs. Trevethan. Mrs. Velma Olds, city treasurer, also took office Tuesday for her third term.

Utilities in new tracts could go under ground

Preliminary discussion on a pending new ordinance which will put the utilities underground in new subdivisions in Campbell is scheduled for next Monday night when the matter officially hits the City Council for the first time.

Before the first public hearing on the ordinance is held, city officials expect to confer with officials of the various public utility firms that will be affected by the ordinance, if and when adopted by the city.

Another issue that will face the council next Monday night concerns the several-times delayed ordinance amendment that will change the council vote required to overrule a Planning Commission action.

In most instances, at the present time, a four-fifths vote of the council is required. Indications are that this will be changed to requiring only a majority.

A survey of all the cities in the county has shown that only three other cities require four-fifths vote.

Council committees are also scheduled to be reorganized at the meeting Monday.

Ralph Doetsch becomes mayor

Ralph Doetsch, 52, who was reelected to his second term on the City Council last Tuesday, became the seventh mayor in Campbell's history on Tuesday night.

Doetsch, an orchardist and businessman who grew up in Campbell, was named by his fellow councilmen to succeed Charles Rose who served as mayor for the past two years.

The new mayor, who resides at 1580 Dell Ave., with 1089 votes last Tuesday set the local record for total votes received by any council candidate. He also has the distinction of being the only councilman to have ever been elected as a write-in. He was elected in that manner for his first term in 1962.

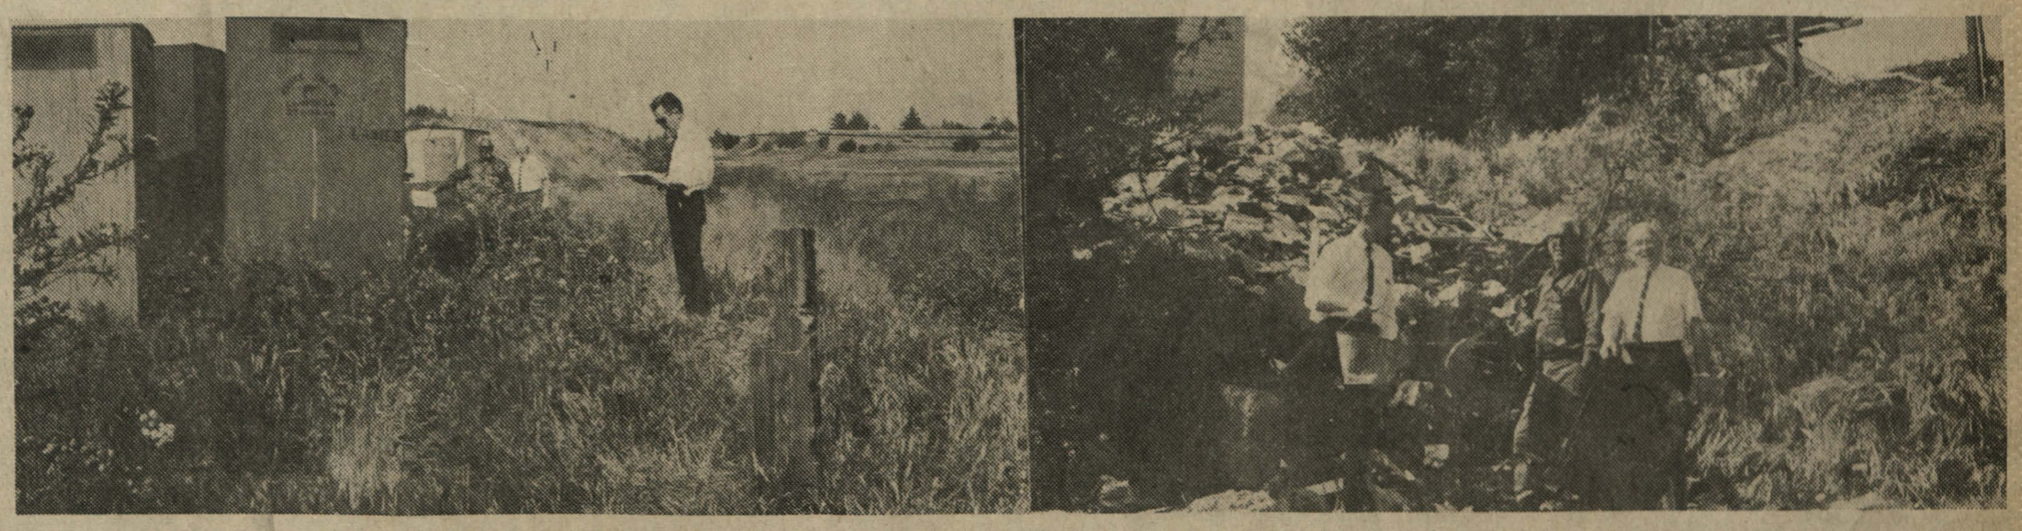
Ralph and his wife, Lorraine, have five children, Ralph, Jr. and Frank, college students; and Joseph, Phillip and Denise, all students at St. Lucy's in Campbell.

Open house

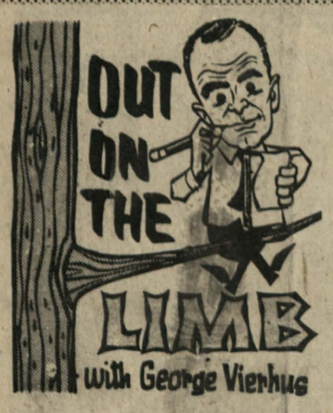
As part of California Public Schools Week, parents and friends of West Valley College students and all residents of the college district are invited to the second annual Open House at the temporary Campbell campus, 51 E. Campbell Ave., April 28 at 7:30 p.m.

Light refreshments will be provided in the College Union.

CHALKING IT UP--Councilman Ed Rogers (at blackboard), chairman of the council's beautification committee which is spearheading the Campbell Clean-up Crusade, lists some of the organizations that are financially aiding the crusade. Left to right, Steve Goodman, president of Kiwanis Club; Dick Hardy, president of Chamber of Commerce; Rogers; Henry Lopez, president of the local postal union, which contributed $100 from its welfare fund and Postmaster Jim Hurley.



LOS GATOS CREEK--There ARE some less than scenic spots along the way now



POST-ELECTION analysis and comparisons are occupational hazards that have intrigued us over the years that we have been exposed to the whims of the electorate at the polls, especially on the local level.

Having access to the files of this newspaper for all the years that Campbell has been a city, makes it possible to indulge in election comparisons with a minimum amount of effort.

Unfortunately it is time-consuming; but interesting, in a sort of statistic sort of way.

Statistics, we know, are boring to the average soul. On the other hand after spending some time digging into files covering the past elections, we figured we ought to do something with the information we had gleaned.

So you people who read this column will have to suffer.

Who knows there may be someone who might be interested?

-0-

IN THE PAST 10 YEARS in Campbell there have been six municipal elections to which we have been exposed in one way or another.

Of these elections the largest percentage of voter turn-out was in 1960 when 29% of the electorate went to the polls. Next was 1956 with 27% followed closely by this year's election of 26%. Other percentages were 23% (1958); 20% (1962); 23% (1964).

So in a 10-year span, only a minority of those eligible to vote bothered to cast ballots. In several of those elections as many as nine candidates were running.

But, as an indication of the growth of the city, in the election this year, there were 722 more votes cast than in any previous election. In 1964 1286 voted out of 5589 compared to this year's 2008 out of 7545.

-0-

RALPH DOETSCH who led the voting last week with 1089 votes, set the city record for total votes any council candidate has received. Of interest also, the second highest was the vote given to HOMER HYDE with 1060 in the same election.

The election also marks the first time that any candidate ever passed the 1000 vote mark in a city election.

AND, the third highest vote given to any council candidate in the city's history was collected by JOHN BILLMEYER, who was defeated but who ran a strong third with 992 votes.

Councilman Bill Smeed, prior to the last election, had the previous record with 698 votes.

Ted Bauer ran fourth in the April 12 election with 532 votes. His total would have been enough to have been elected to the

---And bring a shovel

Campbell Clean-up Crusade is going into the final lap. It could be the beginning of one of the finest communitywide undertakings that has ever been developed here.

Cleaning up the Los Gatos Creek bank area has been one of the main points of the crusade. We are happy to report that this notorious eye-sore, when the crusade is over, will never be the same.

We suggest you come to see for yourself this Saturday, April 23. There will be visible evidence of just what can be done when there is a coordinated and cooperative effort put forth by people of a community.

The preliminary work that already has been done by city direction in preparation for the work-day Saturday when 500 trees will be planted is impressive. Impressive, that is, if one recalls how shabby and unkempt the area was to start with.

We would like to see all sections of the community represented at the work-day this Saturday. The creek area is something that affects us all, no matter on what side of town one lives.

We know you have been ashamed of its unsightliness, if you have seen it from the freeway. And if you haven't seen it, you have heard about it from those who have.

On Saturday this will be your chance to do something about it.

There will be work to be done. You can be assured in most cases that you will be able to plant a tree which you can point to with pride (when it grows up) from the freeway instead of averting your eyes as you do now.

City personnel, who have worked so hard to get the area ready for the hoped-for onslaught of volunteers on Saturday have requested that citizens come armed with shovels.

We think the project can be fun. If successful, it could be the start of a new citywide celebration that will have a mission to accomplish each year, along with offering entertainment.

We recognize that this year it has been on a crash program schedule.

Plans for the crusade did not materialize until the traditional clean-up month of April was already on hand.

Yet, in the relatively short time that the crusade has been underway, the response by the citizens and organizations has been outstanding. And the bases have hardly been touched.

The City Council of Campbell officially kicked off the crusade. The city furnished manpower, equipment and funds and through the council's beautification committee, headed by Ed Rogers, has spearheaded the project from the beginning with City Manager Bob Stephens in the driver's seat.

City personnel also manned key spots on many of the contact committees that are necessary for the overall success of the program.

Another refreshing response was that of the 90-member City Employees Association. The association endorsed the clean-up crusade and volunteered to have a delegation of workers on hand for the work-day on Saturday.

The local union of Postal employees from the union's welfare fund contributed $100 to the beautification project. The Kiwanis Club donated $50 and many Kiwanians are volunteered to assist on Saturday with their shovels.

The Chamber of Commerce officially endorsed the crusade and also contributed $62 for services.

And one of the nicest gestures came from outside the city. Through the efforts of Dutch Hammann, city manager of San Jose, the San Jose City Council has contributed 500 trees to be used for the most ambitious coordinated tree-planting program in the history of our town.

The usual whole-hearted cooperation has also been received from the Los Gatos Scavenger Co.. On Tuesday, April 26, the scavenger company will offer a free neighborhood trash pickup service for all residents within the city limits of Campbell.

Residents are asked to place their trash in containers or in bundles on the curb-line next Tuesday, April 26. There is no restriction on the number of boxes, bundles or containers, as long as one man can handle each one. - But no furniture or appliances will be picked up.

Although the Campbell Clean-up Crusade may have suffered somewhat this year because of the so-called crash program that it was forced to follow, we are enthusiastic about the prospect and sincerely hope that it can become an annual event.

We hope you will agree that this idea is worth considering after you see the improvement that will have been made in our eyesore come this Saturday.

Yet the surface has only been touched.

There are still many, many segments of our community that have not been contacted and probably will not participate this year. But about next year?

Beautifying the creek area could be an ideal project for Boy Scouts, Girl Scouts, Camp Fire Girls and many other youth groups.

Trails for bikes could be built. Shrubbery could be planted.

It could be a beauty spot.

So come out Saturday and see the possibilities first hand.

And bring a shovel.

council in any other election except the one in 1964.

-0-

ONE MORE POINT and then we will leave the statistics.

In the past six elections covering a 10-year period, only three councilmen (all now on the present council), Charles Rose, Dr. Ed Rogers and Ralph Doetsch, have been successful in running for reelection after having been elected the first time. Doetsch, by the way, is the only write-in candidate to have been elected. He won thataway in 1962.

Other incumbents (John Chargin, Henry Weitzel, Homer Hyde) were originally appointed to the council.

This is enough for this time.

We promise we won't do it again for at least two years.

We have an advantage over the average statistic-gatherer.

Very few have columns they can use to dump their findings.

-0-

ENTHUSIASM seems to be the key-word in the current Campbell Clean-up Crusade which The Press has played up for all its worth. And, in our book, it is worth plenty.

Although the clean-up program is for the entire month of April, there are two important dates to remember in Campbell.

The first citywide work-day will be held this Saturday, April 23, when volunteer labor will work to alleviate or improve our city's notorious eye-sore, the banks of Los Gatos Creek.

The other date is Tuesday, April 26. Through the courtesy of Los Gatos Scavenger Co., a free neighborhood trash pickup service is being offered to all residents of the City of Campbell.

Residents are asked to place their trash in containers on the curb-line on that date. The trash should be in containers, boxes or bundles that can be handled by one man.

It is obvious that no household furniture or appliances will be picked up. So don't bother to cart that stuff to the curb. It will just stay there, and you will have to cart it back.

Because of the magnitude of the task of this special pickup service that will cover the town, Los Gatos Scavenger people caution residents not to be unduly concerned if there is a delay in getting to the homes.

Your stuff will be picked up, Mario Tosso of Los Gatos Scavenger reports, if it is on the curb on Tuesday, April 26.

-0-

BUT THE FOCAL POINT of the entire Campbell Clean-up Crusade is, of course, the Los Gatos Creek area, long a black mark against this community.

It looks like the very dickens from the freeway, as you all know. And unfortunately that's the only view of Campbell thousands of people ever get.

The creek area has a tremendous potential, as far as becoming a tops recreational area of the future.

Some day we feel that the entire creek area from Vasona through Campbell will be developed in that manner.

But in the meantime, that creek area is mighty shoddy.

With the wholehearted support of the city, we are convinced that a big dent will be made in eliminating the eye-sore on next Saturday.

In fact the preliminary work that has already been done in preparation for the work-day has done wonders.

Planting of 500 trees on the work-day will also make a world of difference.

If we sound enthusiastic about the whole bit, you are right.

We are.

See you Saturday.

gives the citizens a chance to improve a ugly eye-sore through a massive cleaning up and tree-planting program. There is also a festive air about the whole bit. Some have likened it to barn-raising projects of years gone by.

It is planned to have refreshments served to those participating in the year's most outstanding social event. Stands are scheduled to be set up in Campbell Park, the assembly point. Work is scheduled to start at 9 a.m.

DONATIONS

The Campbell union of postal employees have contributed $100 from the group's welfare fund for the beautification project and the Kiwanis Club has presented a $50 check and 25 club members have volunteered to be on hand with shovels.

The Campbell Employees Association has officially endorsed the project and a large representation of the membership plans to participate. The Campbell Chamber of Commerce has officially endorsed the crusade and contributed funds and guidance.

Other service clubs, including Rotary, Lions and Campbell Garden Club, have also indicated they will take part either through furnishing manpower or funds.

CITY PROJECT

But it is the City of Campbell, directed by the City Council's beautification Committee, headed by Councilman Ed Rogers, that is the official "sponsor" of the program. City Manager Bob Stephens is coordinator of the entire crusade.

Hours of work have already gone into the creek improvement program through the leveling of banks by bulldozers, demolition of buildings and spotting locations for the trees that will be planted.

A group of committees, many of them manned by city personnel and C. of C. officials, working on a crash program schedule have coordinated their efforts to culminate in the work-day Saturday.

Ed Ravenscroft, administrative aide to the city manager, has been instrumental in getting all the pieces for the ambitious undertaking to fit together. He is directing the overall work program on Saturday. He will be assisted by four area leaders who will direct the clean-up and tree-planting along the creek.

Ravenscroft explains that every worker who shows up will be able to plant a tree, if he or she so desires. The holes will already be dug.

GOOD NEIGHBOR

In one of the greatest good neighbor acts in recent years, the City of San Jose has donated 500 trees for planting along the creek.

The main area that will be attacked extends from Campbell Park to the corporation yard. Ravenscroft said that another area approximately 400-feet long near the Page Dam south of the corporation yard will also be cleaned up during the day.

Councilman Rogers, chairman of the beautification committee, in urging the residents to wholeheartedly cooperate in both the work-day this Saturday and the trash pickup service next Tuesday, emphasized that this crusade gives the people a chance to do something worthwhile in the overall improvement of the city.

Tax goes on calls again

The full 10 per cent Federal excise tax is again in effect on local and long distance telephone service, according to Lee Sicard, Pacific Telephone manager.

The tax is being collected on all bills mailed on or after April 1, even though some calls or charges on the bills may have been made before April 1. This is in accordance with the tax law, Sicard said.

The application of the increased tax, which started with the bills dated March 25 and after, is being handled in the same manner as was the tax reduction on the Dec. 25, 1965 bills.

The tax, he explained, is not a telephone company charge. The company merely collects it for the government.

As of Jan. 1, the tax had been reduced to 3 per cent. Last month, however, this amount was repealed by congress.

LOS GATOS MEMORIAL PARK

Situated in the shadow of beautiful Blossom Hill is Los Gatos Memorial Park, a dignified and serene setting for a final resting place. To the visitor, Los Gatos Memorial Park presents vistas of well kept green lawn, myriad shrubbery and trees and beautiful flowers. This panorama of natural lovliness is perpetuated in memory of the dearly departed and is a fitting tribute that they may rest in peace in such surroundings.

The Mausoleum, Crematorium and Columbarium stands in sedate gracefulness on the cemetery grounds at 2255 Los Gatos-Almaden Road. It is a fitting edifice in which to pay our respects and to stand in quiet solitude in memoriam of those who still live in our hearts and our minds.

Los Gatos Memorial Park is an asset to the entire Santa Clara Valley and has become an important adjunct as well as an integral component of what is Santa Clara Valley. The staff, under the direction of General Manager John M. Bylund, is known as an intensely human group of people who take the problems of the bereaved family to heart and offer capable guidance through the trying period of interment or inurnment.

Every cemetery facility has been provided by Los Gatos Memorial Park to accommodate people of every genetic background and religious belief and a recently innovated pre-need plan has proven remarkably successful. Mr. Bylund has adapted exceptional policies of public benefit and has won our highest esteem.

BEV ARNTZEN AUTOMOTIVE SERVICE

Paul Del Grande

If progressive home town owned and oriented business is the key factor in the healthy growth of a community, Campbell owes thanks for the presence of such businessmen and merchants as Paul Del Grande, owner and operator of Bev Arntzen Automotive Service.

This automotive parts and accessories organization at 566 E. Campbell Avenue at Gilman has the largest and most comprehensive stock in the West Valley. A benefit enjoyed by Bev Arntzen Automotive customers is Mr. Del Grande's personal assurance that only first quality, nationally advertised merchandise is stocked.

A complete machine shop rounds out the facilities of Bev Arntzen Automotive by providing motorists and garagemen with cylinder reboring, valve resurfacing, head and manifold surfacing, brake drum turning, axle bearing pressing and the myriad other services expected of the modern, well equipped automotive machine shop. Complete custom engine building done by the capable mechanics has also earned a top flight reputation for the firm.

Mr. Del Grande and his wife, Naomi, are long time Campbell residents who have a family of one boy and three girls enrolled in local schools. As an established citizen and businessman Mr Del Grande has shown his interest in civic affairs over the years and is an active member of the Campbell Optomists Club. When he assumed ownership of Bev Arntzen Automotive Service in 1964 he was already well known in Campbell business circles, having previously been manager of firm. So, whenever auto parts are the need or you want to discuss his favorite sport, fishing, visit Paul Del Grande. He's the dapper fellow with the friendly smile.

Buck's Butane & Propance Service

More than 20 years of satisfactory service to Santa Clara Valley homeowners as well as the commercial and agricultural interests has won for Buck's Butane & Propane Service, Inc. a premier position in their field.

Under the active direction of the Canepa family, the organization has grown and prospered so that today in addition to both metered and bulk delivery of butane and propane throughout the area, they offer the public a wide selection of natural gas, butane and electric appliances as well as dehydrator equipment. In their San Jose showroom at 605 Commercial near 13th, the customer may inspect ranges, refrigerators, freezers, washers and dryers, water heaters and wall furnaces bearing such famous names as RCA Whirlpool, Gaffers & Sattler and Coleman among others. And their budget terms have made it possible for countless families to enjoy these quality products.

The Canepa family can well be proud of the public acceptance of Buck's Butane & Propane Service and we wish them many more years of successful service to the area.

CAMBRIAN BAKERY

One of the West Valley's most attractive and taste fulfilling establishments is Cambrian Bakery, located in Cambrian Center behind Mac's Market at 2047 Woodard Avenue. Here baking is practiced in its ultimate form by owner Joseph Quirantes with the result that he has established a flourishing patronage with the discriminating homemaker.

Famous for decorative cakes baked with fresh eggs and butter, Cambrian Bakery can prepare a cake for any occasion. Special discounts are offered churches and club groups with Mr. Quirantes's magic touch evident in cake creations topped with artistic decorations. Other Cambrian Bakery specialities are the tasty, flakey pies as well as cookies in a vast assortment.

Joseph Quirantes personally assures a spotless bakery, where cleanliness and skill are partners. Not only is he interested in serving the public mouth-watering goodies, but he is a civic-minded citizen who is always interested in doing his part for the future prosperity of the community he loves to serve.

Woman's Club to co-host convention next week

Next Monday and Tuesday, April 25 and 26, the Country Woman's Club of Campbell and the Santa Clara Woman's Club will join together as co-hosts to the District Convention of the California Federation of Women's Clubs at the Los Gatos Lodge.

Mrs. Wyland R. Morgan, a member of the Country Woman's Club, will be installed as president of the Loma Prieta District which encompasses four counties - Santa Clara, Santa Cruz, Monterey and San Benito. At least 150 delegates are expected to attend, representing approximately 2000 club women in the district.

SCHEDULE

Convention activities begin on Monday morning at the Lodge. Rev. William Gould of the First Methodist Church of Campbell will give the invocation, followed by presentation of the colors by a color guard from Campbell High School. Mayors from Campbell and Los Gatos will welcome the convention delegates.

Rabbi Joseph Gitin will present the luncheon address on Monday. His subject will be "Your Sense of Humor, A Sign of Maturity." A champagne reception honoring the new president, Mrs. Morgan, will be held before the banquet Monday evening.

Installation of officers of the district will follow the banquet with Mrs. W. R. Harness, first vice president of the California Federation of Women's Clubs as the installing officer. The Sweet Adelines will provide entertainment for the formal occasion.

AWARDS

Highlight of Tuesday's activities will be the Awards Luncheon at which winners of trophies for work done in the fields of California History and Landmarks and community improvement will be announced. Certificates for excellence will also be awarded in Citizenship, Art, Education, Scholarships and many other fields.

Local club women assisting with plans for the convention are Mrs. Courtland Watson, convention chairman; Mrs. Loren Hardison, president of the Country Woman's Club; Mrs. Milton Howe, treasurer and reservations; Mrs. Dorothy Fritsch, amenities; Mrs. Eola Howe, hospitality and Mrs. Millie Jurras, platform.

Mrs. C. Soderer is president of the Santa Clara Woman's Club and is assisting with co-hostess duties for the convention.

ANOTHER TRADITION--Recently transplanted to Campbell Park at Gilman and Campbell Ave., the above pictured evergreen will become a living memorial to the late Judge John Blaine, a long-time resident of this community and active in civic affairs.

Funds for obtaining the majestic tree were contributed by Mrs. Laura Roamer, daughter of Judge Blaine. A plaque will be placed at the base of the tree memorializing Judge Blaine. The dedication of the tree is planned for next week.

Church women slate meetings

The Women's Society of Christian Service of the First Methodist Church of Campbell announces the April Circle meetings as follows: Wednesday, April 20, Thelma Taber Circle: April 20, 8 p.m. at the home of Mrs. Reynold Detter, 215 Howes Ave. April 21: Ann Devours Circle, 1 p.m. at the home of Mrs. Henry Uchytil, 167 Alice Ave., April 21; Marian Simons Circle, 1 p.m. at the home of Mrs. Floyd Arnold, 771 Monica Lane; April 21: Patricia Rothrock Circle, 12:30 p.m. at the home of Mrs. Russell Bessom, 3360 Rosedale Dr.

Woman's Club honors high school artists

Dr. Ross Deniston, art consultant for the Campbell Union High School District, congratulated the Country Woman's Club of Campbell for their efforts in fostering recognition of students in the arts. "The emphasis on science and mathematics, often leaves the area of art neglected," Dr. Deniston stated, and he thanked the Woman's Club, for giving these students recognition for their achievements.

The Woman's Club, under the direction of Mrs. Judy Howland, staged a high school art show for the six schools in the district, and gave cash awards to the top nine winners. They also gave 37 certificates of merit to other participants.

The winners were given their awards at the annual meeting and luncheon of the Woman's Club held Monday, April 18. The winners were: Oils, Linda Lowe, Blackford first prize; Stan Armstrong, Del Mar, second prize; Mary Ann Dunlop Leigh, third. Graphic arts: Brenda Johnson, Campbell, first; Mary Jane Ishida, Del Mar, second and Karen Atkinson, Westmont, third. Water colors: Danny Marks, Westmont, first; Dan Clark, Camden, second; Pat Verrill, Blackford, third.

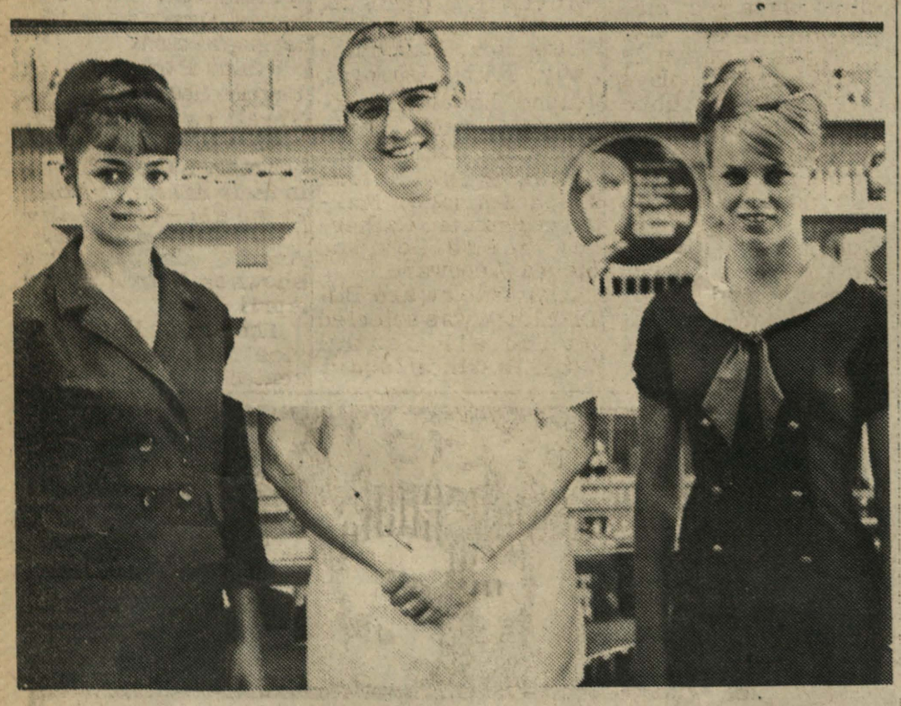
Queen's crown will go to one Saturday night



AERO PHARMACY-Al Aero Pharmacy, is Blaine, new owner of sponsoring Crystal Lynch (left) and Katherine Pierce.

One of these attractive girls will be crowned Miss Campbell Saturday night, April 23, in the final contest at Campbell High School Auditorium. The show is sponsored by the Junior Chamber of Commerce and local merchants. The public is invited.

The candidates will be judged on beauty, talent and figure. Judges will be John Biondi, Denver Groff, Daryl Tarullo, Donna Biaggi and Pamela Rodi. The girl chosen will reign over numerous civic and cultural affairs in this community and will be eligible to enter the state contest. If she should win the Miss California contest she will then go on to enter the Miss America competition.

Orchard City Grange observes 63 years

Orchard City Grange #333 of Campbell celebrated its 63rd anniversary with a banquet honoring its Past Masters. Approximately 160 members and guests attended the event. The tables were beautifully decorated with spring flowers and after the dinner all adjourned to the meeting hall.

Honored guests included California State Grange Master J. B. Quinn and Sister Quinn, State Lecturer Emmet Ivey and Sister Ivey, State Grange Deputy John W. Buck and Sister Buck.

Grange Master Quinn reminded the members of their strength and to use their powers at election time. He also commented on the progress the Grange has made in the past 63 years and inspired the members to even greater effort.

Other special guests were Past Masters Bob Scholts, Harry Barnes, Lawrence Hendricks, Werner Raab, Jessey McChesney, John C. Gordon, Herbert Shadle, Fred Bentley, Sarah Blue, Sarah Proctor, Robert Wurfer, Adeen Kregelo, and their spouses, and Mrs. Bessie Merrill, Mrs. Mae Walsh and Mrs. Elizabeth Emery, widows of Past Masters.

Also present were special guests Mr. and Mrs. Al Brugmann, Mr. and Mrs. Dwight Sheffer, Mr. and Mrs. B. E. McGrath and Brother H. A. Butts, who is the oldest Grange member in the area, having joined the Orchard City Grange in 1903, the year the Grange was organized.

Present Master Al McCoy conducted the business meeting, calling on the lecturer, Mrs. Sadie Proctor, to present her program. She presented the Sweet Adeline Quartet, "The Harmony Singers" who were the district champions for 1963. Beautifully gowned in white, the vocalists sang many old favorites.

The Past Masters were given the opportunity to say a few words and John Gordon, Past Master and Honorary Grange Deputy (in a wheel chair) received special recognition. Masters from other Granges who were present included Ed Terell of San Jose Grange, Will Tfeffer of Almaden Grange; Lester Rudin of Cupertino; Will A. Mead of Los Gatos Grange, Louis Sordello of Mt. Hamilton Grange, Harvey Hopkins of Sunnyvale Grange, and Joe Cuciz of Pomona Grange.

Five proposals for membership were presented and the next meeting was announced for April 26. The Orchard City Grange will serve its regular Sunday breakfast April 24 from 9 a.m. to 2 p.m. in the Grange Hall. The public is invited.

Sister Nila Jones, Home Economics chairman, announced a card party will be held in the Grange Hall dining room on May 11 at 2 p.m. There will be prizes and refreshments.

Mothers Club card party

An evening of fun and good fellowship is planned by the Campbell De Molay Mothers Club, who are sponsoring a card party on Friday evening, April 22, at the Orchard City Grange Hall. Playing will begin at 8 p.m. There will be refreshments and prizes. Reservations may be made by contacting Mrs. Betty Snider, 378-8468.

The Mothers Club will hold their regular meeting, Thursday, April 21, at 8 p.m. at the home of Mrs. Vasona Cooke, 28 Peter Dr., Campbell. Mrs. Georgianne Locke will preside. Anyone needing transportation should contact her at AX 6-2163.

Our Town

By Grace Hebard

THE BULL DOZERS have been at work on Campbell Avenue again. This time they took down the old home next to BLENDWELL INTERIORS, at 155 E. Campbell Ave. to make room for additional parking. The house was originally built in the early 1900's by ALEXANDER P. MERRILL, grandfather of EDWARD A. MERRILL, 39 N. Milton Ave.

Later it was sold to MR. AND MRS. H. F. YOUNG (Bessie Young) and in 1950 to the E. R. FOREMANS. All of these families spent many happy years there in days gone by...

It's amazing how much culture has come to the West Valley in the last 10 years. Time was when Villa Montalvo had the only art exhibits in this area.

Now we have so many art gallerys, art associations, and Little Theater groups, that the competition between them is really stiff. Any week-end you can find "live drama", symphony concerts, or art displays in this community. We must be experiencing a renaissance of sorts throughout the whole county...

Friends of MR. AND MRS. EUGENE BIRK of 654 Jeffrey Avenue will be happy to know their little son, RODNEY, born prematurely March 6, is gaining weight and will be coming home soon from El Camino Hospital

...MRS. PAT McCAULEY, 247 W. Cherry Lane, wishes to thank her friends for their notes and visits during her recent illness. She expects to be back clerking at GOLDEN RULE DEPARTMENT STORE very soon...

BEA WILKINSON, 645 Inwood Dr. is having a one man exhibit of her paintings at the Americana Room of American Savings and Loan on Lincoln Ave. in Willow Glen...

MRS. ELIZABETH ZICK, 1113 E. Campbell Ave., will model a beautiful tailored suit made by her daughter, MRS. LORENA FRISCH, at the home-sewn fashion show to be staged by the Women's Society of the First Methodist Church on Saturday afternoon, April 23. Other models will include MISS ELAINE JOHNSON and MRS. FRED HELMBOLD - excellent seamstresses all!

MRS. BEVERLY BOOTH, Campbell Librarian, will attend the Books and Authors Luncheon at Vahl's in Alviso on Thursday honoring Bay Area authors and illustrators

...MRS. WILLIAM REYNOLDS of 303 Wren Way was the winner of a portable TV given away by ATKIN'S T. V. and the HOME MARKET...

Teachers collide

Two teachers, one driving a Cadillac and the other riding a bicycle, collided at the intersection of Rincon and Virginia Ave. Monday morning.

Tom Parsons, 32, 805 Jean Drive, Apt. D, a Campbell High School teacher, was the bike rider. He was struck as he crossed the intersection at Virginia and Rincon. He was not seriously injured, and was taken to Campbell Community Hospital.

The driver of the Cadillac was Joyce Ann Hargreaves, 116 Huntington Dr., a teacher at Capri School. Campbell Police did not cite her.

BUC BANTER

BY MARY KNOWLES

Among the events yet to come in this school year is the thrill, chill, but mostly spill-filled Donkey Basketball game. The purpose of this annual event, sponsored by the Senior Class, is to raise money for Senior Sneak Day, a fun day at Santa Cruz.

For the game, the Senior Class has obtained the services of the nationally known Buckeye Donkey Ball Company of Columbus, Ohio.

All local riders will be used for the exhibition and the Seniors have gone into serious training for this big event. They have announced that their players are on a strict diet of Mother's Oats and raw carrots.

The mighty seniors have been challenged by the Junior Class. The faculty and Block C will also have teams competing.

Tickets may be purchased from any Campbell Senior. Advance tickets are on sale now at 50 cents for children under 12, 75 cents for high school students, and $1 for adults. All tickets at the door will be $1.

Wes Clark, the chairman for the upcoming hootenanny, has announced that auditions will be held on April 20 in the cafeteria from 7 to 9 p.m.

All talented persons are invited to try out. Letters have been sent out to most area schools so that, as Wes Clark puts it, "The kinkiest hootenanny ever was."

The hootenanny will be presented May 6, and the cost will be 50 cents per person with student body card.

NEWS FLASHES* Vickie Luoto has been chosen to represent the American Field Service as a foreign exchange student for 1966... P. WARRIOR WAYS

BY LYNDA WYCKOFF

WESTMONT'S GREAT BASEBALL team is undefeated so far. So come on out and support your team!

Our Varsity Track team is also undefeated. We have yet to meet Saratoga and Leigh, but Westmont's coaches are confident that we will do well.

Westmont A-Go-Go was held Friday night and also Saturday, April 15 and 16. The show was sponsored by the Westmont P.T.A.

"Carousel", the chosen theme for the Junior Prom will be held on Friday night, April 22, from 9 to 12. The dress is to be formal. Girls may wear short or long formals. The bids may be purchased at school for $2.

WARRIOR OF THE WEEK KATHY WEST

Kathy was born at Madison, Wisconsin in 1949. She has two younger sisters. One is a sophomore here at Westmont, and the other is in the eighth grade at Rolling Hills Junior High.

As president of Art Honorary last semester and Art Commissioner this semester, Kathy has been very busy organizing various art shows and exhibits by Westmont.

Kathy is interested in a career as a commercial artist or as an art teacher.

Kathy is a member of Honor Society, C.S.F., A.F.S. and the French Club. Outside of school Kathy enjoys riding her pony, working at the Ming Quong Children's Center, Jobs Daughters and her church youth group.

About Westmont's art program Kathy says, "The art program here at Westmont is really good. It offers a lot of variety and allows the students a lot of creativity. It encourages freshness and spontaneity."

Don's Dateline

by Carole Clark

This year Del Mar students took the George Washington gold honor medal, for the third time. This award is presented by the trustees and officers of Freedoms Foundations at Valley Forge, Penn.

Del Mar's entry was submitted by last year's English IV Creative Writing class under the direction of Murle Birk Woodward.

The project, Heritage Theatre, includes a collection of 69 student written plays for elementary school use. American vision is spotlighted in plays about people of public office, military achievement, scientific advancement, literary merit, pioneer spirit, and folk legend.

Competing against a field of over 50,000 elementary and secondary school entries from throughout the United States were the following class members: Seniors: Barbara Burns, Judith Finch, Susan Mackay, Sharon Shelton, Joyce Sweeney;

Graduates: Allyson Benedict, Robert Broazn, Carol Cluster, William Erlendson, Thomas Greenle, Gary Guttomson, Roni Hathaway, Ruby Ishikurs, Jeanne Lewon, Maureen O'Connell, Craig Rosseler, Louis Rosenfeld, Dede Sarris, Ralph Scariano, Margaret Skinner, Catherine Suerdieck and Steven Woodward.

Junior forward Bill Drozidiak was selected for the all Central Coast Basketball squad by area sports writers.

Bill, a 6'3" 180 pound junior, set several records this season. He set a school scoring record of 36 points. He was also selected to the all-tourney team in Sunnyvale Basketball tournament, and received first team all-league awards.

Stan Poytress as Eugene Gant and Tony Thrall as his brother, Ben Gant, won the hearts of the audience in their dramatic roles in the all-school play "Look Homeward Angel". The play was shown on March 31 and April 1.

The Junior Boys Service Club was presented $15.

BLACKFORD BEAT

BY DIANE GIPSON CAROL COOK

Blackford met Westmont last Thursday for a Varsity Baseball game. Despite Frank Spratling's three-run homer in the sixth, Blackford lost by a score of 7-6.

Friday, April 15, Blackford's track team met Del Mar and was defeated by a score of 75-56.

In swimming competition last Friday, Blackford bombed Westmont, 71-24.

The Spring Dance was held in the Blackford Cafetorium Friday, April 15 from 8:30 to 11:30. The theme of the dance was "England Swings". The entertainment was provided by the Westminsters, a local singing group.

Also, the sophomores were able to order their class rings for the 1966-67 school year last Thursday, April 14.

Freeway lanes have new speed limits

Minimum speed limits for each freeway lane will be established in the near future at four different locations in accordance with laws passed at the 1965 session of the California Legislature.

Slow drivers already are supposed to stay out of the faster lanes--but they often do not--and the purpose of the authorizing legislation is to make it easier for enforcement officers to keep these slow drivers out of the fast lanes of traffic.

If the minimum speed limits prove effective, the California Division of Highways says the changes will result in smoother traffic flow and hopefully fewer accidents. The added safety should come because the vehicles in each lane should all be moving at approximately the same speed.

This factor should cut down on "rear-ender" mishaps that take place when a driver overtakes and slams into the vehicle ahead of him.

Drivers will be made aware of each of the new speed zones by signs that will tell them they are approaching such a control area and the minimum speed authorized for each lane.

Slow lanes will always be the outside lane and 45 miles per hour will be the minimum rate. The inside lane will always be the swiftest lane and 60 miles per hour will be the minimum.

In those cases where more than two lanes in one direction exist, the middle lanes will be signed for 55 or 60 miles per hour.

The California Highway Patrol will not assign extra officers to the sections but those drivers found violating the minimum speeds will be stopped.

Each of the four sections will be approximately four miles in length.

One will be located on a three-lane westbound Interstate 80 near the Milk Farm Restaurant between Davis and Vacaville.

Another will be on two-lane westbound Interstate 80 near the Sacramento-Placer county line.

A combination four-and-three lane section on the southbound lanes of the Bayshore Freeway (U. S. 101) just south of the San Francisco International Airport will be another.

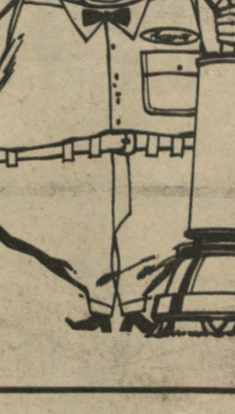
The fourth is a section of the Harbor Freeway southbound in Los Angeles. It is a four-lane freeway and the affected portion is between Century Boulevard and the San Diego Freeway.

Big signs with white letters on a black background will be located at least a half mile in advance of each of the four zones. They will read "MINIMUM SPEED LIMITS AHEAD."

Other signs within the zone and suspended above each lane, will inform drivers of the minimum speed permitted in that lane. The same black and white color combination will be used.

Additional black and white signs reading "END - MINIMUM SPEED LIMITS" will be placed in prominent locations at the end of each zone.

Signs are now available for the two Interstate 80 locations and will be emplaced during late April.



Obituaries

Gretna Ballard

Mrs. Gretna A. Ballard, 50, wife of truck driver Samual Ballard, died of a cerebral hemorrhage, the county coroner's office reported. Mrs. Ballard resided at 280 Friar Way and had been a resident of the county for 25 years. She was born in Missouri.

She was the mother of seven children including Herb Ballard and Mrs. Evelyn May Erickson of Campbell. Funeral services were held from the Campbell Memorial Chapel.

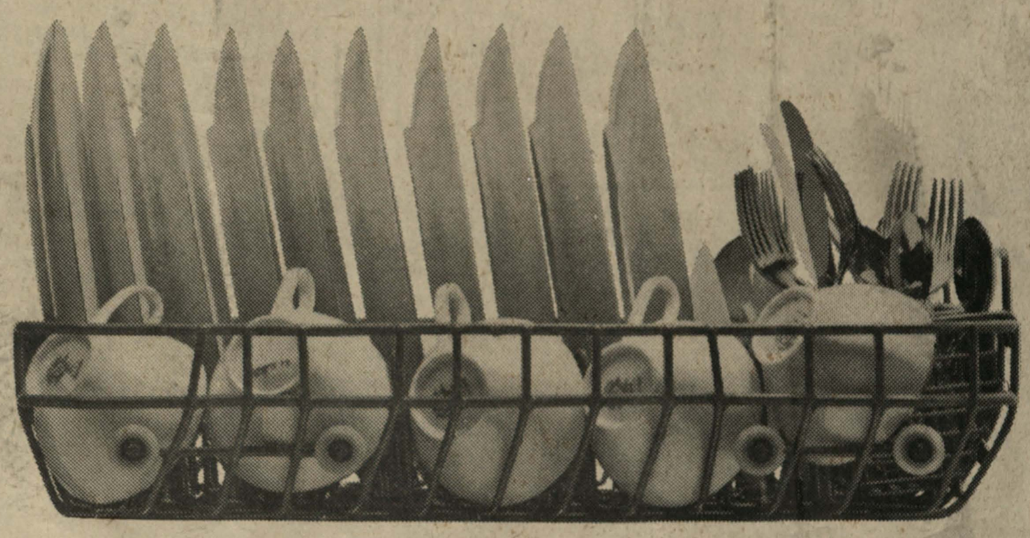
What a dishwasher does besides washing and drying your dishes:



1. An automatic dishwasher holds dirty dishes awaiting washing, helping you keep your kitchen neat. **2.** It kills germs by sanitizing dishes with water too hot for hands. **3.** You do less laundry, too—because you use fewer dishtowels. **4.** An automatic dishwasher shortens your workday; gives you more time to relax with your family. **5.** And finally, life is much, much easier on your hands.

Don't be a dishwasher—buy one.

Local resident publishes book of limericks

A new book of gay, humorous and slightly ribald limericks entitled "The Problem with Dear Henry Miller" has just been published by Harold Sanders Green of Campbell.

HAROLD GREEN
--Campbell Author

Green resides at 160 W. Hamilton Ave. with his wife Catherine, better known as "Kay, secretary to Robert Stephens, city manager". The book is dedicated to her. A teacher at Pinewood Elementary School, a Los Gatos private school, Green has spent much of his adult life in the entertainment and educational fields.

Although this is his first book, he has been writing articles, poetry, short stories, plays, light verse, comedy sketches and songs from the time he was eight years old.

Born in England, the Greens migrated to Canada in 1948 and then to the United States in 1951, becoming citizens in 1960.

The new book is a perfect vehicle for Green's versatile command of the English language, with a fresh viewpoint that will make the new publication a perfect gift for the convalescent and the well alike. Published by Pageant Press, Inc., local book stores will order it upon request.

Zarate resigns at Moreland

The Board of Trustees of the Moreland School District has accepted with regret the resignation of Louis Zarate, county juvenile hearing officer. Zarate submitted his resignation to the board in a letter which cited his reasons for resigning as "personal".

Persons interested in applying for the position must be residents of the Moreland School District and registered voters. Applications should be sent to Mrs. Doris von Herrmann, clerk, Board of Trustees, Moreland School District, 4710 W. Campbell Ave., San Jose 95130. Applications will be accepted until June 1. As in the past, all applicants will be interviewed by the Board of Trustees.

SOCIAL SECURITY

Questions and Answers

U.S. Department of Health, Education, and Welfare
Social Security Administration

Q. I am a widow, age 50, with an only daughter. I applied to have my daughter's social security benefits start again because she is only 20 years of age and is a junior in college. Before she was 18, I also received a monthly social security check because she was in my care. Will my benefit start again?

A. No. You received a benefit because you cared for your daughter who was under 18. This part of the law was not changed. However, a change in the law permits you to receive reduced widow's benefits as early as age 60.

Q. Did the changes in the Social Security Law make it any easier to qualify for monthly retirement benefits?

A. It is possible for persons 72 or over to qualify even though they did not previously have enough work under social security to meet the requirements. Anyone in this group should get in touch with his Social Security Office.

Q. I receive social security disability benefits. My wife and daughter also receive benefits. My daughter will become age 18 in two months. I understand that she will continue to receive benefits as a student under age 22. Does this mean that my wife's benefits will continue, also?

A. No. A wife is elgible only if she is age 62 or over, or has a child under age 18 (or a disabled child) in her care who is receiving benefits. Benefits cannot be paid a mother whose only child receives benefits after 18 because she attends school.

Q. Last year I took my retirement benefits at a reduced rate. Now, I am physically unable to work. Can I change over to disability benefits?

A. It is possible that you may be able to change to disability benefits if you became disabled before reaching age 65. Check with your Social Security Office.

ON CAPITOL HILL

with "Charlie" Gubser

In previous columns, I have mentioned the potential danger to freedom when government agencies have the power to exert arbitrary control over the press, radio and television.

The so-called "Fairness Doctrine" which obligates broadcasters to give equal time to those who disagree with a paid broadcast is still controversial and recently I have received considerable mail protesting the ban of conservative broadcasts by Dr. Carl McIntire.

Now the Internal Revenue Service is involved in a similar controversy. It has moved to revoke the tax-exempt status of the "Christian Crusade" (Christian Echoes Ministry, Inc.) of the famous and controversial Dr. Billy James Hargis on grounds that "a substantial part" of his activity is "influencing legislation."

Recently Rev. Hargis wrote a letter to every Congressman, comparing his activity to that of other tax-exempt religious organizations. I quote portions of it here, not for the purpose of judging the question of whether the "Christian Crusade" deserves tax exemption, but because it raises a related issue which is important.

Rev. Hargis writes: "Although the Christian Echoes Ministry, Inc., did not endorse a political party or candidate in the 1964 election, other similar tax exempt groups most certainly did.

'Christian Century Magazine', owned and operated by the tax exempt Christian Century Foundation, endorsed the candidacy of Mr. Johnson...as did 'Motive Magazine', the official tax exempt publication of the Methodist Student Movement; and 'Christianity and Crisis', published by the executive offices of the tax exempt Union Theological Seminary of New York.

Furthermore, 'The Register', the publication of the tax exempt Chicago Theological Seminary, in its September 1964 issue, endorsed the candidacy of Johnson, opposing Goldwater.... the tax exempt status of these organizations...has not been questioned.

"...the House Committee on Un-American Activities has published a 'Guide to Subversive Organizations'...On page 108, they have listed as a Communist front, the Metropolitan Music School. In a letter dated Oct. 12, 1965, Sheldon S. Cohen, Commissioner of Internal Revenue Service, admitted that this...School enjoys full tax exempt status.

"My question is - has justice become a one-edged sword which attacks opposing viewpoints but gives immunity to viewpoints friendly to the Administration in power?... there is not a member of Congress who is unaware of the lobbying activities of the National Council of Churches.

Yet, it is not the National Council of Churches that is under attack by the Internal Revenue Service. It is the Christian Echoes Ministry, Inc.

Then Rev. Hargis concludes: "Whether you are liberal, conservative, Republican or Democrat is beside the point. The important thing is - will ministers be allowed freedom of speech in the future, regardless of their viewpoints ... or will only those ministers friendly to the reigning administration be allowed such freedom?"

Without the facts, I couldn't pass judgment on the justice of Rev. Hargis' claim for tax exemption. But he has raised a significant question.

Letters to the Editor

POST-ELECTION
Dear Editor:

In attempting to analyze the Campbell election, we believe that the voters, in defeating fluoridation almost 2 to 1, have not only rejected fluoridation, but also have shown their disapproval of the questionable methods used in its promotion.

Surely Campbell voters must have resented the shenanigans involved which threatened to deny all those living outside the City of San Jose their right to vote on the issue.

Also, they must have questioned the right of a Health officer to use the prestige of his public office to solicit votes in a political campaign, as was done when he sent out a personal letter to every registered voter in the Campbell area asking for a yes vote on fluoridation. And, no doubt, they questioned the use of taxpayer's money to influence an election.

Also, open to question is the validity of a so-called health measure that requires the use of false claims and character smears for its promotion. (In their large ad inserted in four area papers, they referred to oponents as a "shadowy collection of self-seeking propagandists".)

Also to be questioned is the soundness of a so-called health measure that must resort to lists of endorsers in place of logic and scientific facts. (also done in their large ad).

Valid health measures stand on their own merits. They do not require unethical methods for their promotion.

Sincerely,
Mrs. W. Petersen
138 Clareview Ave.
San Jose.

P.S. We have watched your election with keen interest because we, too, live in an area that was not permitted to vote in the San Jose election.

THANKS VOTERS
Dear Editor:

We wish to express our admiration for the citizens of Campbell for their carefully considered rejection of promotional propaganda regarding fluoridation and for voting, instead, in favor of maintaining individual responsibility for dental health, freedom of choice and safe water!

We also want to thank THE CAMPBELL PRESS for providing us an opportunity to express our concern about the hazards of fluoridation.

Most sincerely,
Marguerite A. Snow, treasurer
Citizens Water Committee of Santa Clara County

Another forward gulp

DOWN IT GOES--Two sub-standard houses adjacent to Campbell Park on Gilman Ave., recently purchased by the city were demolished last week as part of the clean-up crusade which will culminate by the community wide work day this Saturday, April 23.

Residents are urged to assemble at the park at 9 a.m. Saturday to lend a hand (with shovel attached) in the planting and clean-up project along the creek. The top photo shows the houses before the bulldozer attacked. In the next the bulldozer takes a big gulp and in the lower photo the inevitable bath tub.

WINNER AT BREUNER'S--Pictured is Mark Holcomb, 4-year old son of Mr. and Mrs. Eric Holcomb, of 3099 Kathleen St., San Jose, winner of first prize in the annual Easter egg decorating (ages one to six) contest conducted by Breuner's Wayside Store, Campbell. First prize was a bike while second and third winners received radios. Second prize winner was Bradley Teague, 5, of 5238 Bella Dr.; and third went to Lee James, 6, of 3314 Lynn Oaks Dr. In the ages seven to 10, Kathy Drew, 9 1/2, of 780 Almarida, was first; Eric Nettesheim, 8, of 13625 Surrey Lane, second and David Olsen, 10, of 6349 Lillian Way, third.

Broadway performers appear at W.V.

An "Evening of Music from the Theater" will be presented by the Office of Community Services of West Valley College on Friday, April 22 at 8 p.m. at the college auditorium, 51 E. Campbell Ave.

The concert will feature two noted Broadway performers, Soprano Helena Bliss and Baritone John Tyers. Admission is free.

Tyers and Miss Bliss will present solos and duets from such well known Broadway hits as "Kismet", "Bittersweet", "Gigi", "Brigadoon" and "Kiss Me Kate."

Tyers has appeared on Broadway as leading man with Beatrice Lillie in "Inside USA" and also in "Can-Can", "Arms and the Girl", "Gypsy Lady", "La Vie Parisienne" and "Winged Victory".

Miss Bliss began her career with the Philadelphia Opera Co. as lead soprano in "La Boheme", "Faust", "Carmen" and "Fledermaus".

She created the role of "Nina" soprano lead of the hit musical "Song of Norway", which ran for two years on Broadway. She met and married Tyers when they appeared together in "Gypsy Lady".

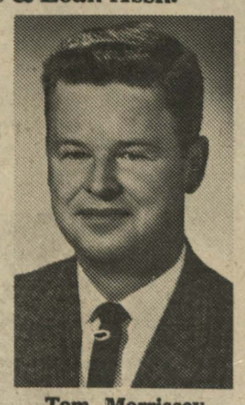
Salinas Valley Savings & Loan Assn.



Tom Morrissey

As the area itself has prospered and grown so has Salinas Valley Savings and Loan Association forged ahead, adding each year greater prestige to the established record and brilliant reputation it has enjoyed since its founding in 1928. Today this financial institution with offices throughout the length and breadth of the Santa Clara and Salinas valleys is looked upon as an integral part of our continued growth and expansion and is highly regarded as a mainstay of our economic stability. Campbellites have a convenient office at Prospect Road and Saratoga which is under the capable management of Tom Morrissey.

Dedicated to the encouragement of thrift and home ownership, Salinas Valley Savings and Loan contributes in a dual way to the healthy growth and development of this entire area as well as to the financial well being of the residents. Savings accounts, whether large or small, are invited and they earn the highest current interest rate which is consistent with insured safety. All such accounts are insured up to 10 thousand dollars by the Federal Savings and Loan Insurance Corporation.

The loan service of this financial institution is designed to encourage home ownership and home improvement. The prompt service and liberal terms of Salinas Valley Savings have helped many people achieve their goals of more satisfactory habitation and has become an integral part of the growth and progress of Northern California.

Under the competent direction of Tom Morrissey, the San Jose-Campbell office has played a dramatic role in the economy of our area. Mr. Morrissey is additionally know as a civic minded individual who has enmeshed himself in the affairs of our community and thus has become one of our more valued citizens.

REALTOR CLAIR WILSON

Clair Wilson

Playing an active and progressive role in the sound steady growth of Santa Clara Valley is Realtor Clair Wilson who traces his professional service to valleyites through the past decade. During this period his Wilson Realty has served in such a manner as to win the accolades of the many clients along with a record of growth and expansion.

Today Wilson Realty is headquartered in strikingly attractive and modern offices at 1830 Bascom Avenue where every facility has been provided to continue the highly personalized service for which the firm has become noted. Prime income and residential properties are handled along with ranches and acreage and Clair Wilson has an established reputation for bringing together buyer and seller in near record time and to their mutual satisfaction. His record in completing the sale and purchase as well as the trading and trade-ins of desireable valley properties is outstanding and reflects his extensive knowledge and exhaustive insight into all facets of his profession.

Clair Wilson has earned the position of leadership he enjoys in the realty profession by dint of his enthusiasm, aggressiveness and dedication to his client's needs. He has shown the same qualities as a private citizen and has time and again demonstrated his willingness to participate in projects which promised benefit to the community as a whole. For these reasons we are pleased to single out Clair Wilson for public tribute and to wish for his continuing success in the realty field.

LOS GATOS GLASS CO., INC.

Joe Spinelli

Los Gatos Glass Co. Inc. has become a major glazing concern serving home owners and builders, and their success has been based on outstanding service, quality and workmanship. The oldest glass firm in the West Valley, Los Gatos Glass has a record of more then 15 years of satisfactory service.

Prepared to handle anything from broken window panes to major glazing jobs, Los Gatos Glass additionally offers specialized replacement of auto glass, furniture glass and shower doors. Owner Joe Spinelli is a state licensed contractor who has built the business of his Los Gatos Glass Co. Inc. along the lines of integrity and customer satisfaction. He is to be commended for the success his firm has achieved as well as for the top flight reputation both he and Los Gatos Glass enjoy today.

Rotary district conference to take place in San Jose

An estimated 2,000 Rotarians and their families will converge on San Jose on April 28 for a three-day annual District Rotary conference, according to Russell Pettit, president, San Jose Rotary Club.

Pettit has named James McDonough, assistant district freight and passenger agent for Southern Pacific, as conference chairman. The leader of the conference will be George A. Starbird of San Jose, district governor for the area from Crescent City to Hollister.

The conference includes a golf tournament at the championship Almaden Country Club course on Thursday, April 28, followed by a barbecue dinner and awards banquet that night at the club.

Featured speaker at the opening luncheon at the Hotel St. Claire on Friday will be Rabbi Joseph Gitin of Temple Emanu-El, noted for his warm insight and humor in attacking problems of the day.

The Friday night banquet at the Pavilion, Santa Clara County Fairgrounds, will feature a talk by James Mussatti, general manager emeritus of the California State Chamber of Commerce.

Another luncheon meeting is scheduled for Saturday noon at the St. Claire, featuring City Manager A. P. Hamann of San Jose.

The Governor's Banquet on Saturday night at the Pavilion will serve to "debunk" Starbird as outgoing governor and to welcome his successor, Stanley L. Lance of Santa Rosa.

This is the first time in a decade that the district meeting has been held in San Jose. Special events have been planned for Rotary-Anns, wives of members, including a luncheon with Count Marco, controversial San Francisco newspaper columnist, and a bus tour of the entire area.

Local Democrats plan EOC panel

The Campbell Democratic Club is making plans for an enjoyable social and informative meeting on Saturday, April 23 at the home of Mr. and Mrs. Harold Riddle, 223 Peter Dr., Campbell.

A pot luck supper will be served at 7:30 p.m. In place of the usual meeting, a panel discussion on the Economic Opportunity Commission will follow. Panel guests will be William Fernandez, EOC Commissioner and Sunnyvale attorney.

Dr. Edgar Cummings, EOC Director; and Raymond Gurries, John Birch Society member from San Jose.

The meeting is open to interested guests. For reservations call Mrs. Jayne O'Reilly, 378-0203 or Mrs. Riddle, 377-6084.

Adults may take swim classes

Adult swim classes at Campbell Union High School District will open for the spring season at Del Mar High School Tuesday, May 3 and will continue twice a week on Tuesday and Thursday from 7 to 10 p.m. for five weeks.

Instruction for beginners and intermediate swimmers will be under the direction of Coach Rollo Koivista and staff. Beginning swimmers will be in a separate group for their instructional activities.

Persons interested in the swim instruction program should visit the Del Mar High School office Monday, Tuesday or Thursday evening after 7 p.m. for preenrollment. The course fee is $4.50. For additional information phone 379-4710.

Student counseling ups college rating

West Valley College, although in operation for two years, already ranks 15th among the state's 76 publicly-supported junior colleges in providing student counseling.

This was determined by a recent study compiled by Jerry H. Girdner, dean of Student Personnel at the college, who reported to the Board of Trustees that he received a "100 per cent response" from all of the California public junior colleges.

Girdner says that he feels West Valley's ranking is "remarkable" in view of the newness of the college and the lack of proper facilities on the temporary campus in Campbell.

He attributed it to "Board policy of maintaining a favorable ratio of counselors to students, and the recognition that counseling is an important part of the overall program of educating the students."

Girdner's findings showed there is the equivalent of one full-time counselor to each 365 students at the college, as compared to top-ranked Porterville which has a ratio of one to 287.

Appeal on Roosevelt Redwood tree comes a little too late

EDITOR'S NOTE: It was with a twinge of sadness that we read the following letter (which we are printing in its entirety) sent to us recently.

The letter, which was a copy of the one sent to historical landmarks advisory committee of the Department of Parks and Recreation of California, concerned the famous Roosevelt Redwood of Campbell, now departed from this world.

For the benefit of those who have tuned in late, (and the Regional Parks Association) as an introduction to the letter, we reprint the caption that appeared under a picture in the issue of The Campbell Press of Oct. 7, 1964:

"END OF AN ERA (and a tree)--Campbell's bid to historical fame, the 60-year old Roosevelt Redwood that was so long a landmark at Winchester and Campbell, exists no more.

"Planted in 1904 by President Theodore Roosevelt, the death knell was sounded last week when the City Council ruled that there was no way to save the tree from the wheels of progress. It would be in the way of improvements planned for the intersection.

"The day after the Council made its final ruling, the tree came down. Thus the final chapter was written in the intriguing tale of a Campbell tradition.

"But there will be a sequel. By Council decision benches will be made from the tree and placed in Campbell parks. Suitable plaques attached to the benches will explain the historical significance."

The letter we referred to is from the Regional Parks Association, 2634 Woolsey Street, Berkeley and addressed to Richard F. McCarthy, chairman, Historical Landmarks Advisory Committee, Department of Parks and Recreation, Sacramento:

Here it is:--G. V.

Dear Sir:

The Regional Parks Association wishes to invite your attention to a neglected but potentially valuable 60-year old conservation symbol: the Sequoia Sempervirens planted in 1907 by Theodore Roosevelt just southeast of the intersection of Winchester Road and Campbell Avenue in Campbell, Calif.

"Dr. Yale Maxon, a member of our Board, writes that nearly 50 years ago, when he was a student there, 'Campbell High School was a wooden two-story building on the southeast corner of the above intersection.

At that time there was a spacious lawn on the grounds and an assortment of other trees and shrubs. But the place of honor was reserved for the tall Roosevelt redwood.

'And in the glass trophy case inside the building the shovel that had been used to plant it was exhibited--the blade suitably engraved, and the handle wrapped in shining red, white and blue silk ribbon.

No one attending that school was unaware that Theodore Roosevelt had been there or that he had stood for conservation!"

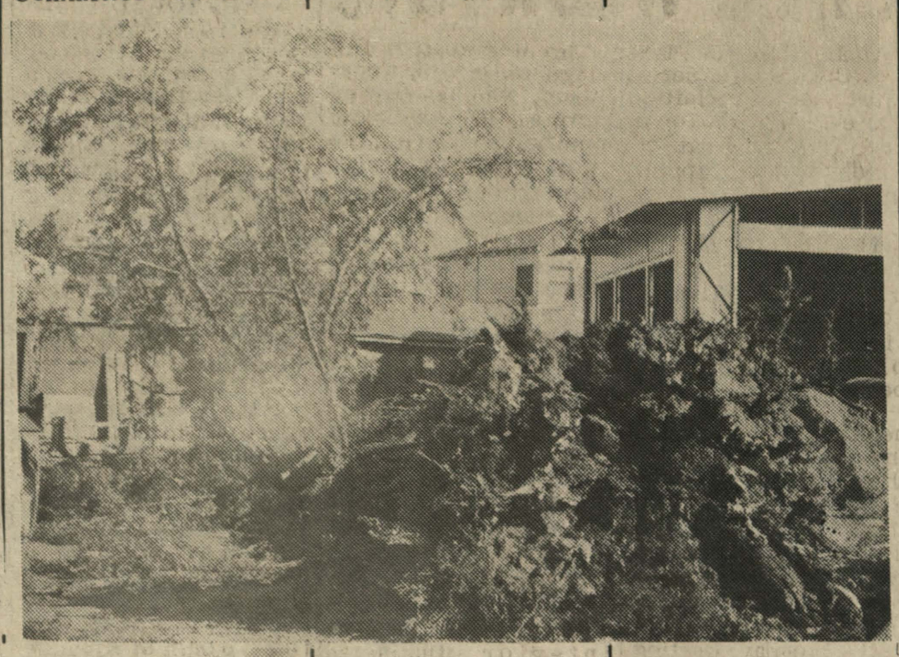
"In the half-century since those days the high school has been moved to a larger area to the northwest, and commercial development has practically obliterated the once pleasant site of the Roosevelt redwood. In fact, when last observed the tree was hemmed in by blacktop in the front of a garage or automobile tire shop. The original bronze plaque that had stood at the foot of it had been taken away and it appeared that no one was conscious that the tree itself had any particular history.

"It is the hope of the Regional Parks Association that in these days--when all Americans are becoming increasingly aware of the necessity and value of conservation--that this valuable symbolic legacy of Amercia's great conservationist president can be rescued and placed once more in suitable surroundings.

"We are confident that the distinguished membership of the California Historical Landmarks Advisory Committee will be able to initiate appropriate action to this end.

Sincerely yours,

Regional Parks Association
Cicely M. Christy, secretary."



THIS IS WHEN IT HAPPENED--The above photo taken in October, 1964, shows the Roosevelt Redwood shortly after it was toppled at the intersection of Winchester and Campbell to make way for the street improvement.

BECOMES A BENCH - By City Council decree, part of the trunk of the Roosevelt Redwood became a bench that will be placed in one of the city parks. Above LeRoy Black, park superintendent, puts the finishing touch on the bench.

ROOSEVELT REDWOOD--For More than 60 years, Campbell's bid to historical fame, the Roosevelt Redwood (above) stood in solitary splendor at Winchester Road and Campbell Ave. The tree which was planted by President Theodore Roosevelt in 1904, finally had to give way to progress when the intersection was widened and improved. In October, 1964, the tree was cut down. By City Council decree, however, benches, which will be suitably plaqued, have been made from the trunk of the tree and will be placed in Campbell parks. The Campbell Garden Club also has taken shoots from the original tree and have planted them at Vasona.

Campbell Plaza Shopping Center, at Budd Ave. and Winchester Blvd. will have one of the first T. G. &Y. variety stores in northern California, according to J. M. Newgent, western division vice president of the nationwide chain.

A lease agreement has been signed for the 7,000 square foot store which is scheduled for completion in October. Safeway, First National Bank, Luoto's and a number of other stores have been operating in the center for several years.

T. G.&Y. is currently operating 470 stores in 13 states from California to Florida. There are 75 stores of the firm in southern California and it is planned to open 30 stores in the San Jose and Bay area within the next few years.

Leases have already been signed in Santa Cruz, San Jose and Mountain View.

Planners adopt three-week rule

Applications for Planning Commission action must now be submitted three weeks prior to the meeting date on which they will appear on the agenda.

The Planning Commission on Monday adopted the new policy which will allow the commissioners more time to study the applications that have been filed.

Because of the time needed in the processing of the applications, the commissioners have complained in the past that, under the present system, they have not been able to get their agenda material until the weekend just prior to the Monday meeting.

The modification was suggested by Jim Tomlinson, who has served longer than any other member of the commission. Tomlinson noted that in a number of instances in the past years, the commissioners have not had time to familiarize themselves with the necessary background in order to act properly on an application.

In other actions, Monday night, the commission:

--APPROVED a 3-ft x 6-ft. interior illuminated sign for Smith's Tax Service at 72 W. Campbell Ave.

--APPROVED a 6-ft x 12-ft. double-faced, interior illuminated sign for Bud Tunstall's new Winchester Lounge at Sunnyside and Winchester. The new sign replaces another sign that had previously been approved.

--APPROVED a pole sign for Kirkwood Drugs in the Kirkwood Plaza on which also will be a sign for the restaurant located in the center. A sign that would have gone on the roof of the drug store had been turned down previously by the commission.

Chairman Hal Lee voted against approval of the pole sign that would advertise the restaurant. He felt that there was adequate space on the restaurant building for any sign.

--RECOMMENDED approval of the zone change request of Mr. and Mrs. Dale Gunn for property on the west side of Bascom Ave. at the intersection and just south of Apricot Ave. The change is from residential to commercial. Before annexation to the city, the property had been zoned commercial.

Tourney draws 100

Entries are nearing the 100 mark as the April 25 deadline approaches for the sixth annual Father Schmidt Foundation for Youth Golf Tournament April 29 at La Rinconada Country Club.

"All golfers planning to play in the tournament must have their entry blanks and check in by 5 p.m. Monday, April 25, to insure the awarding of starting times," urged the tournament chairman Gerry Graham.

Graham said many golfers are planning to play, but have not gotten around to entering the "double shotgun" benefit event.

Donation is $50, and includes green fees, a buffet lunch and a post-tournament awards banquet featuring lobster and steak.

Top prize are two round-trip tickets to Mexico City, donated by Western Airlines.

You're money ahead
when you paint your home with
Sherwin-Williams
House Paint

More homes are painted with Sherwin-Williams house paints than with any other brand. The reason is simple: Generations of homeowners have discovered they get added years of beauty and protection for their homes when they specify the paints that are the acknowledged standard of quality—Sherwin-Williams house paints.

No matter what materials of construction have been used in your home . . . wood, masonry or a combination of both—no matter whether your house is old or new—no matter what the climatic conditions in your area, there is a Sherwin-Williams house paint that exactly meets your painting requirements.

What's more, your choice of color is almost limitless. Choose from white, gay pastels or stunning deep tones . . . the color you select will keep its handsome appearance without untimely streaking or fading. And you can be certain the paint itself will stand up to all the assaults of the weather far longer than you expect. It is made to do just that by the world's largest producer of quality paints.

NOTICE INVITING SEALED PROPOSALS OR BIDS
LOCAL IMPROVEMENT DISTRICT NO. 13

Pursuant to the Municipal Improvement Act of 1913 and the resolution directing this notice adopted on April 11, 1966, by the City Council of the City of Campbell, said Council invites sealed proposal or bids for the clearing, grubbing, grading, removal of existing trees, shrubs and structures and the construction of base, pavement, curbs, gutters, street lighting, water mains, hydrants, valves, tees and appurtenances, sanitary sewer mains, manholes and manhole frames and covers, services and appurtenances, and surface and subsurface storm drainage facilities where required, as more particularly described in Resolution of Intention No. 2013 adopted by said Council on April 11, 1966, which resolution is on file in the office of the City Clerk and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said Council on April 11, 1966.

Payments will be made in cash by said City to the Contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the Engineer of Work submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the Contractor. However, notice is given that a period of 30 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of bonds issued upon the unpaid assessments.

Notice is hereby given that on April 11, 1966, the Council adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is contained in and made a part of the specifications, and is attached hereto, for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by a cashier's or certified check payable to the order of the City, amounting to ten per cent (10%) of the bid, or by a bond in said amount and payable to said City signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said City in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the City.

Contractor shall furnish to City a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the City Clerk of said City on or before 2:00 o'clock P.M. of the 18th day of May, 1966, City Hall, Campbell, California, said time being at least fourteen days from the time of publication of this notice. Bids will be publicly opened, examined and declared on said day and hour. Said bids will be referred to and considered by the Council at its meeting at 8:00 o'clock P.M. on the 23rd day of May, 1966.

A copy of the plans and specifications may be obtained from the office of the City Engineer, City Hall, Campbell, California, upon deposit therefor of $15.00, which will be refunded if said plans and specifications are returned within ten days after opening the bids.

DECORATOR'S CHOICE - PETUNIAS

There isn't an easier way to add zest to the summer landscape than by planting masses of those perky, free-blooming annuals, petunias. A splash of cherry-and-white ones in a large planter... drifting ribbons of pink ones bordering the lawn ...or an artful massing of white ones to starch up your flower beds.

Use your imagination. Pick your colors and forms from the dozens of top-notch varieties available in flats at the nursery. (Flats hold five to six dozen small, sturdy plants that have been grown from seed.

You can buy a whole flat, a half of one, a dozen or a half dozen plants at a time -- whatever you need for any particular area. Petunia plants will mound up and spread quickly, so plan on planting them about 10 inches apart in the ground.

If you are planting in containers, they should be set more closely together, so buy enough to set them four inches apart.)

Petunias are easy to grow from small seedlings and have a reputation for blooming in spite of the most casual care. However, if you want to get the most from their free-flowering beauty, give them the soil, exposure and attention they deserve.

Choose a sunny spot, well drained, and dig their beds to a depth of at least a foot. Incorporate generous amounts of organic material such as peat moss, ground bark or well-aged manure.

Ponds in area to get 7000 fish

Supervisor Ralph H. Mehrkens has reported that 7000 catchable sized trout will be planted in a county percolation pond along Los Gatos Creek in time for the trout season opening.

The planting, approved by the State Fish & Game Department at the urging of the County Fish & Game Commission, will be made in the northernmost percolation pond just south of Camden Ave.

Temporary sanitary facilities will be installed and county personnel will assist in the enforcement of fish and game and litter laws.

Access to the area is off Dell Ave. in Campbell.
